c. Grievance Redressal mechanism for Faculty, staff and students

- L. E. College, Morbi firmly believes that Administrative system be formed such that it helps decision making to be decentralized. The institute has formed Grievance redressal Committee (GRC) for the prevention, prohibition and redressal of any kind of grievance at work place as per the rules and regulations laid down by AICTE.
- Faculty, staff and students may report to GRC members at any time (24 x 7) at the time of incidence. Complaint register is maintained by the committee. GRC also works with the aim of providing comfortable environment for faculty, staff and students of the institute and thereby enhancing their self-confidence and respect. Information of GRC is displayed on institute website.
- The college believes in unbiased redressal of grievances and has constituted student grievance redressal cell and disciplinary & internal complaint committee (staff) under GRC under Head, Human Resource to deal with such matters.
- Students can also approach their GTU coordinator, semester coordinators, subject coordinators, relevant activity coordinators, faculties and head of department for grievance redressal. Grievance register is maintained by the committee. Every registered grievance is addressed by the concerned competent authority in reasonable time period and is resolved as per the norms laid out. The register maintains the complete time line of every grievance.

- Date for acceptance by the candidate (time given shall in no case be less than 15days) - Not applicable-
- Last date for closing of admission- Not applicable-
- Starting of the Academic session- Not applicable-
- The waiting list shall be activated only on the expiry of date of main list- Not applicable-

12. Criteria and Weightages for Admission

Describe each criterion with its respective weightages i.e. Admission Test, marks in qualifying examination etc.

[A] For Students who have passed qualifying examination from school located in Gujarat and appeared in GUJCET -2020

-A candidate shall have passed HSC (10+2) with minimum 45% marks (40% for SC/ST/SEBC/EWS) of theory (or theory and practical) marks of Physics & Mathematics as compulsory subjects with (Chemistry or Biology or Technical Vocational subject) from a single board. Candidate shall also appear in GUJCET -2020 examination in respective subjects. The candidate shall pass the HSC examination from schools located in Gujarat from any board from GSEB, CBSE, ISCE, Cambridge, International Baccalaureate (IB) or NIOS.

or

-A candidate whose parents are of Gujarat origin and who has passed the qualifying examination with minimum eligibility criteria of percentage of marks in subjects prescribed by AICTE from time to time from the State where his parents are located and has appeared in the GUJCET conducted in the corresponding academic year, shall be eligible for admission.

or

-A candidate whose parents are serving in the category of services as mentioned in admission rules and who are transferred from other States to Gujarat and have resumed their duties in the place where they are transferred in Gujarat and shall remain so transferred in the State of Gujarat at the time of registration for admission, shall be eligible for admission and his candidature shall be included in the merit list.

Or

-A candidate who has studied under Jawahar Navodaya Vidyalaya Scheme / Sainik School up to Standard VIII in any of the schools located in the State of Gujarat, and there after studied in any of the schools located out of the State of Gujarat under the said scheme, and passed Qualifying Examination from a Navodaya Vidyalay / Sainik School located outside Gujarat State.

[B] For Students who have passed qualifying examination from school located in India (including Gujarat State) and appeared in JEE(Main) 2020

Five percent of seats in Government and aided institutions shall be available for the candidates who have cleared the qualifying examination with minimum eligibility criteria of percentage of marks in subjects prescribed by AICTE from time to time from an eligible board from school located in India (Including Gujarat State) and have appeared in JEE (Main) for the corresponding academic year. A candidate shall have passed HSC (10+2) with minimum 45% marks (40% for SC/ST/SEBC/EWS) of theory (or theory and practical) marks of Physics & Mathematics as compulsory subjects with (Chemistry or Biology or Technical Vocational subject) from a single board. Candidate shall also appear in JEE (Main) examination in respective subjects.

Candidate satisfying both criteria can apply in both section [A] and [B] with single application

Mention the minimum Level of acceptance, if any

Merit marks is calculated based on given formula

Calculation of Merit Marks

[A] For Students who have passed qualifying examination from school located in Gujarat and appeared in GUJCET -2020

60% weightage of the percentile obtained in the theory subjects (PCM) of board exam combined with 40% weightage of the percentile obtained in the GUJCET 2020. A common merit list will be prepared for GSEB, CBSE, ICSE, Cambridge, IB and NIOS board.

[B] For Students who have passed qualifying examination from school located in India (including Gujarat State) and appeared in JEE(Main) 2020

Merit list of candidates who have passed the Qualifying Examination from schools located in India (including Gujarat State) from a valid Board as recognised by the Gujarat Board; and appeared in JEE(Main) examination shall be prepared on the basis of All India Rank of JEE (Main) examination for the corresponding year.

Mention the cut-off Levels of percentage and percentile score of the candidates in the admission test for the last three years

-As test is conducted centrally for all the candidates, the score is available with central agency only

Display marks scored in Test etc. and in aggregate for all candidates who were admitted

- As test is conducted centrally for all the candidates, the score is available with central agency only

13. List of Applicants

List of candidate whose applications have been received along with percentile/percentages core for each of the qualifying examination in separate categories for open seats.

- As exam is conducted centrally for all the engineering seats of the state, the merit is available with admission committee. And its not for specific institute.

List of candidate who have applied along with percentage and percentile score for Management quota seats (merit wise) : - Not applicable -

14. Results of Admission under Management seats/Vacant seats

Composition of selection team for admission under Management Quota with the brief profile of members (This information be made available in the public domain after the admission process is over)

- Not applicable-

Score of the individual candidate admitted arranged in order or merit

- Not applicable-

List of candidate who have been offered admission

- Not applicable-

Waiting list of the candidate in order of merit to be operative from the last date of joining of the first list candidate

- Not applicable-

List of the candidate who joined within the date, vacancy position in each category before operation of waiting list

- Not applicable-

Teaching Load of each Faculty

Each faculty member of the institute is given the teaching load as per the AICTE/DTE norms.

Internal Continuous Evaluation System in place

Each department of the institute conducts MID semester test as per academic calendar of the institute. Faculty members conduct class tests to evaluate students. To evaluate the practical knowledge of the student, various tests regarding laboratory experiments are conducted. Students are given mini projects/projects/seminar/assignment to evaluate them in all aspects.

Student's assessment of Faculty, System in place

- Online academic feedback of subjects taught by faculties are taken from students once in a semester. Different parameters on which teaching/learning is assessed are like communication skill, readiness of faculty to help and support, content coverage of syllabus including theory and practical, use of ICT etc..

We have implemented *AICTE 360 degree feedback* portal for students and faculty feedback.

For each Post Graduate Course, give the following:

- **Title of the Course-**
 - **M. E. Civil (water resource engineering)**
 - **M. E. Electrical engineering**
 - **M. E. Power electronics**
- **Curricula and Syllabi**
